color issues of the magazine – dating from January 1911 – at www.rotary.org/rotarian.

A note to all the Presidents-Elect: congratulations on surviving NE-PETS! You are going to be a great class and you have a very capable leader in District Governor-Elect Steve May. I came across a suggestion for you, as you start to plan your year. Many of us are poor listeners. We interrupt each other. We multitask. We're easily distracted. Really listening to somebody is one of the best gifts we can give them. Careful listening also brings benefits – sometimes unexpected ones – to the listener. Club officers, project leaders, and business managers, take note. Make sure you hear members' ideas before setting goals for the year. A failure to do so will result in a lack of club support that you will need to be a successful leader. When people have the opportunity to make decisions and the decisions aren't imposed on them, they have greater ownership and, in the end, have pride in performance.

Peace and Conflict Resolution

There is an opportunity to work with renowned conflict resolution specialist Professor Padraig O'Malley, the John Joseph Moakley Distinguished Professor of Peace and Reconciliation at the McCormack Graduate School of Policy Studies University of Massachusetts – Boston in support of the Mitrovica, Kosovo Peace Conference on Forum for Cities in Transition from Conflict program (FCTC) to be held May 24 – May 28th. Several clubs in District 7950 already are aware of the extraordinary work Professor O'Malley has been doing in the field of conflict resolution. The FCTC program brings politically and culturally divided cities to a conference table, together with

representatives from cities that had been in the same situation but resolved their conflicts. Clubs who would like to become involved or learn more about this opportunity, please contact District 7950 Peace & Conflict Resolution Committee Members Dietrich Bilger (dbreotary@drbiis.com), Barry Clayton (clayrotgov@comcast.net), or Finbar Corr (finbarcor@comcast.net). Peace and Conflict Resolution Programs are becoming much more of a focus for Rotary International going forward and with it come opportunities to be involved in that sector both locally and internationally. This fits right in with our new 6 areas of focus as a Future Vision Pilot District – what a great opportunity for our clubs, especially in the Boston area.

Rotary Peace Centers Alumni

There are 433 peace fellows (93.3%) that have reported their current positions to the Rotary Foundation. Of these 433 peace fellows:

130 work for NGOs or other peace-related organizations (30%)

90 work for a government agency (21%)

54 are pursuing additional advanced degrees in peace-related fields (12%)

39 are teachers/professors (9%)

32 work in research or academic support positions (7%)

26 work for United Nations agencies (6%)

10 work for the World Bank (2%)

9 are journalists (2%)

9 are lawyers or work in a law-related field (2%)

19 defy easy categorization; these include bankers, human resource professional, and business owners (4%)

15 reported they are actively looking for work in the field (3%)

If you know of a great World Peace Fellow candidate, contact our District Chair Dan Hoffenberg at dhoffenberg@cataldoambulace.com

Annual Giving

High ethical standards are an integral part of the mission statement of Rotary International and is demonstrated in practice through our Rotary Foundation. High ethical standards are also demonstrated through Every Rotarian Every Year (EREY). It cannot be right that our Foundation that represents 1.2 million Rotarians is funded by only 313,000 Rotarians. Our Foundation's projects should be supported by EVERY Rotarian and should be our charity of choice because we are reliable, trustworthy and always look to protect our fellow Rotarian's freely given donation from misuse. Are you a Sustaining Member of the Rotary Foundation? Is your 2009-2010 contribution up to date?

What Paul Harris Said... "If extravagance affects honesty, how disastrous then must it be to charity; and the question arises – How long may we avoid life's responsibilities on the plea of being broke?" – The Rotary Magazine, February, 1917

Looming Deadlines

March 31st Presidential Citations are due to the District Governor. If you need another copy of the Citation Certificate Form, contact me immediately. Also remember that Rotract and Interact clubs can submit a form.

April 1st District Conference hotel reservations and conference registrations are due. See the District Website, www.rotary7930.org, for information, or contact Bob Wood at rwood@chiltonclub.org.

Looking ahead

April 11th is the 6th Annual Interact Assembly. If you have never experienced time with these kids, I encourage you to drop in. Contact Roger Bell, our District Chair, for more information at rbell52347@aol.com

June 20-23rd is the Rotary International Convention in Montreal. To quote Safi Manneh from the Rotary Club of Banjul, Gambia: "It's overwhelming to be among thousands of other nationalities, and it still feels like one nationality. I believe there is no one who has been to a convention who did not go home with a new perspective on Rotary." Make sure you sign up for this wonderful experience...it will never be this close to us again!

RYLEA Re-energized for 2010

Dear District 7930 Rotary Club:

Could you please check in with your club's RYLEA chair to make sure that all RYLEA junior applications and club sponsorship checks (\$125 per student) are mailed by postal mail by April 15th to:

Andrew Winig c/o Improvandy PO Box 37 Arlington MA 02476

We are also still seeking volunteers to assist with the cleanup of Camp Rotary in Boxford on Saturday, May 1. Folks will arrive at 10:00am and work until 12:00 to prepare the camp for our young leaders and then will all enjoy a free delicious BBQ luncheon! We greatly appreciate any assistance that anyone can provide.

The revamped RYLEA training program led by Jim Babbin is going great. First, high school senior facilitators bonded in training sessions at Minuteman in Lexington and at the Amesbury Sports Park. Then, last Saturday, Rotarians joined with the students at Minuteman to begin to form our full facilitator team. Already, the top secret RYLEA theme and T-shirt design has been determined. It is an exciting time for RYLEA as an enthusiastic large group of seniors is working with several Rotarians new to the program to make RYLEA great. For more information, please contact either of our District RYLEA chairs, Andy Winig at ryla7930@yahoo.com or evandiamond@comcast.net.

Thank you for all the support of our district's clubs. We look forward to meeting and developing all of the budding youth leaders from all of your towns!

Evan Diamond & Andy Winig

MARCH 2010

FROM CLUBS AROUND DISTRICT 7930

IPSWICH ROTARY BECOMES A

BREAKFAST CLUB

On April 22nd, Ipswich Rotary will become a breakfast club after 87 years as a lunch club. This move reflects the changes that have taken place in our society and, as recommended by the Ipswich Board, represent the best long term interests of the club. Over the years, an increasing number of members live in Ipswich, but work out of town. Many of those who work here have found that they have an increasingly difficult time braking way in the middle of the day. Attendance and recruiting reflect these trends. During our experiment last summer, attendance soared by an average of 25%. Most new members, and virtually every recent prospect, have told us that breakfast is better for the; often the only option. The Ipswich Board also noted a palpable upswing in energy at the early morning sessions. Ipswich's program coordinators have assured them that this schedule will have no negative affect in attracting quality speakers.

Meetings will be held at Ithaki Restaurant in downtown Ipswich. The price for breakfast will be \$12. Ipswich thanks the 1540 Hart House for their years of hospitality and service.

Lynn Rotary Club announces the following schedule for its meetings:

GSE InBound Team Update

As of this writing, in just over 35 days the Group Study Exchange team from London, UK, will arrive for their one month stay as the guests of District 7930. As reminder, they will spend roughly one week in each of the “areas” as identified on the back of our directory. The first week will be in Area South, shaded in blue, stretching from Boston to Saugus. The second week they move to Area North, shaded in brown, including clubs from Salem, NH, down to Peabody, and east as far as Ipswich. On week three the team rotates to Area East, green colored on the District directory, which runs along the coast from Lynn to Rockport. Finally, for the last week Area West, purple shaded, takes over in their area which runs from Lynnfield west to Lexington. To keep this organized, we have assigned local scheduling to four Area Coordinators, here they are:

Area South, JoanneCohn,

joanne.cohn@comcast.net

Area North, DennisSweeney,

sweenman@comcast.net

Area East, John Neely,

john.h.neely@gmail.com

Area West, Donna Denio,

ddenio@comcast.net

Our Area Coordinators have done a great job of organizing the teams schedule for the month and deserve a big thank you! They are busy putting the finishing touches on the schedule and getting ready for their arrival!

Recent Rotary International guide lines limit GSE club visits. They will now be in the form of two, large, multi - club “Cluster Meetings” per week. Please contact the hosting clubs to check for availability, but we anticipate that given reasonable notice each of these venues will allow for substantial audiences. Here’s the schedule for the **Cluster Meetings**:

Wednesday, 5 May, Malden Rotary, luncheon meeting

Thursday, 6 May, Saugus Rotary, Luncheon meeting

Thursday, 13 May, Haverhill Rotary, luncheon meeting

Friday, 14 May, Peabody Rotary, **breakfast meeting**

Tuesday, 18 May, Gloucester Rotary, luncheon meeting

Thursday, 20 May, Salem Rotary, luncheon meeting

Monday, 24 May, Lexington Rotary, luncheon meeting

Thursday, 27 May, Winchester Rotary, luncheon meeting

Please note the following website. Cut and paste this and add it to your favorites. It’s where the GSE Inbound Committee will be monitoring, adding, and deleting events related to the GSE 2010 visit. This will be your best source to monitor, live and up to the minute, what the schedule will be, and where the team will be next:

<http://www.brownbears.com/freecal/District7930?Date=2010-05-06;Op=ShowIt>

Last, but certainly not least, we had hoped to have the GSE Inbounds profiles by this writing, but we’re likely missing them by a day or two. However, we can tell you their professions, which is about all we know. But hopefully this will be enough to start the wheels moving

and we promise to get the complete profile information out ASAP. Interestingly, the entire team is female. Two are police officers, one specializing in drug crimes, the other in gun - related crimes. One is a business consultant, one a corporate responsibility officer, and finally a housing relocation officer. If you have suggestions for vocational or cultural visits please contact your Area Coordinator as listed above, or me. We would be greatly appreciative.
